Immigration : Australia

Australia, officially the Commonwealth of Australia, is a country in the southern hemisphere. Australia is one of the best study destinations for Indian students by offering world class universities and colleges with variety of courses. Australia is fast overtaking destination such United Kingdom and United states in terms of Indian students' application.

The cost of education in Australia is similar to UK and USA with no dilution in quality of education.

Capital : Canberra

Language: English

Currency: Australian dollar

Value of Australian dollar : Approx. Rs. 58

Population: 23,274,662 (Approx)

Income/per capita: \$64,157 (Approx)

Neighbour countries: Neighboring countries include Indonesia, East Timor, and Papua New Guinea to the north, the Solomon Islands, Vanuatu, and New Caledonia to the north-east, and New Zealand to the south-east.

Benefits for new immigrants in Australia

- Australian cities have one of the highest standards of living in the world. You have access to all the basic amenities.
- The inflation and cost of living, however, are relatively low, especially if you compare them other cities of the world that offer similar standards of living.
- You will get free medical & education facilities for you and your family
- You can earn & save money more than 1 lac per month
- You can call your parents after a period of 1 year on their own migration
- You can visit many countries on arrival basis.
- Advantage of getting unemployment insurance benefits
- Your family can get permanent residency within 10 - 12 months of duration & after 2 years citizenship will be given.
